Author: Eleisa Blackstar

---

Keep : The Lycaeum  
of Moonglow - on the  
Felucca Facet

Time gives us history  
and history gives us  
truth, at least through  
the eyes of those who  
record it. The  
libraries in the  
Lycaeum hold the  
ancient tomes of our  
ancestors. Travel to  
Moonglow, and  
research in the  
Lycaeum. Study the  
volumes of history  
found there. Pick 5  
(Five) that interest  
you, record their  
titles, author and a  
brief synopsis  
(summary) of the  
story. You may take  
someone with you as a  
witness to the truth of  
your studies, have  
them sign this book as  
well.
